Amazon.com: Customer reviews: Classics: A Very Short ... With a son graduating next week with a B.A. in the Classics, I thought I should honor him and brush up on my own now very patchy, superficial understanding of the Classics. So I read this installment in Oxford's "Very Short Introduction" series. Classics Books - Goodreads A classic stands the test of time. The work is usually considered to be a representation of the period in which it was written; and the work merits lasting recognition. In other words, if the book was published in the recent past, the work is not a classic. A classic has a certain universal appeal. Classics: A Very Short Introduction - Mary Beard; John ...
