Winter of Discontent - Wikipedia The phrase "Winter of Discontent" is from the opening line of William Shakespeare's Richard III: "Now is the winter of our discontent / Made glorious summer by this sun [or son] of York", and was first applied to the events of the winter by Robin Chater, a writer at Incomes Data Report. The Winter of the Witch by Katherine Arden The Winter of the Witch was the final book in the Winternight Trilogy and it was such a great conclusion! I don't want to spoil anything, but I can tell you I loved it and I already miss all the characters! There is only one thing that left me not completely satisfied and it was the ending. Winter | Definition of Winter by Merriam-Webster Winter definition is - the season between autumn and spring comprising in the northern hemisphere usually the months of December, January, and February or as reckoned astronomically extending from the December solstice to the March equinox.
