Violence and the Law in Medieval England | History Today The medieval world has an understandable reputation for brutality. In 2002, during the trial of Slobodan Milosevic at the war crimes tribunal at The Hague, the chief prosecutor, Carla del Ponte, accused the Butcher of the Balkans of 'medieval savagery. Tolerance and violence in medieval Spain: A review of ... The English writer Saki once described an unhappy land that produced more history than it could consume locally. He might well have been speaking of medieval Spain, which regularly features in contemporary cultural debates. Amazon.com: Chivalry and Violence in Medieval Europe ... Keauper recognizes, as do many of the medieval sources he quotes, that during the medieval period there was both licit and illicit violence. Licit violence was used to bring about order. He first turns to the Norman monk Orderic Vitalis who believed that violence for the right cause was acceptable.

Violence in Medieval Society - Google Books Violence was endemic in the medieval world, to an extent most modern people find shocking. Violence was part and parcel of the public world of institutions (church, state, chivalry) and the private world of households. Medieval Violence - Hannah Skoda - Oxford University Press Medieval Violence provides a detailed analysis of the practice of medieval brutality, focusing on a thriving region of northern France in the late thirteenth and early fourteenth centuries. Chivalry and Violence in Medieval Europe - Oxford Scholarship Medieval Europe was a rapidly developing society with a problem of violent disorder. This study reveals that chivalry was just as much a part of this problem as it was its solution. Chivalry praised heroic violence by knights, and fused such displays of prowess with honour, piety, high status, and attractiveness to women.
